Book Details:

Review: I purchased this book to help understand a boyfriend who has been diagnosed with obsessive compulsive disorder. While he shared with me a bit about what it was like, I also wanted to learn about the condition from an objective, clinical perspective. This book is a well written, helpful guide to living with and loving a loved one who has OCD. It provides...

Description: People who suffer from mental illness rarely do so alone. Their families and loved ones face their own set of unique challenges—problems that deserve their own resources and sources of support. This is the first book written specifically to the loved ones of people with obsessive-compulsive disorder (OCD). It helps readers examine how OCD affects their...
